

**Evaero, Inc. Receives Raytheon Missile Systems Supplier Excellence Award**

TUCSON, Arizona, April 8, 2010 (FPRC) -- Evaero, Inc. ([www.evaero.com](http://www.evaero.com)) was formally recognized for their performance and partnership with Raytheon Missile Systems when it received a 4-Star Supplier Award. Alongside companies such as General Dynamics Ordnance and Tactical Systems, L-3 IOS Brashear, Honeywell ASCa, Inc., and Nammo Raufoss AS, Evaero, Inc. was honored as a part of Raytheon's Supplier Excellence Program. The 4-Star award was based on criteria such as quality and delivery ratings.

Evaero Inc., an ISO/AS registered company, has served the aerospace industry for nearly 30 years with high-precision machined components and assemblies.
